

Get the 411 on your working rights!

late night.

If you're a teen and you've got a job, you have rights. Do you know what the minimum wage is? Or how many hours you can work? There are also restrictions on working alone at night and all kinds of work hazards to be aware of. Want to know more? Visit our website.

Brought to you
by the Office of
Attorney General
Martha Coakley.
